

Mary Valley Views

B E D + B R E A K F A S T

a modern country experience

Kayak Yabba Creek \$ 40 *per person* when you stay with us

The rivers and creeks of the Mary Valley are home to some unique wildlife including the Mary River Cod, Mary River Turtle and Australian Lungfish. You even may see a platypus while kayaking on Yabba Creek. There are also water dragons, azure kingfishers, pelicans and many other things to see. Or you can just enjoy the peacefulness of the tree lined creek.

Our sit on top kayaks are ideal for enjoying Yabba Creek and suit all ages and fitness levels. Safety equipment with drop off and pick up is provided. You provide the horsepower to go as slow or fast as you like as well as your hat, water bottle and sun-screen.

We are happy to guide you or you can go alone. We can even provide a picnic basket for a leisurely creek side picnic.
